What You'll Need to Get Started

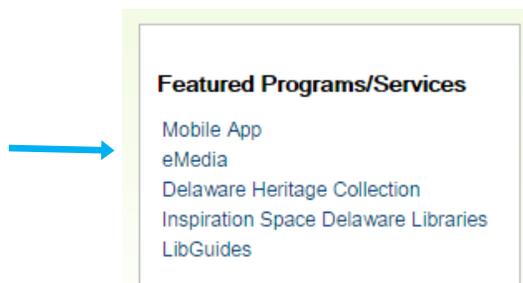

- A computer with Internet access
- An active email account in order to register with Learning Express
- A Library Card number and 4-digit PIN

Accessing Learning Express

Go to the Delaware Library Catalog (dlc).

<http://dlc.lib.de.us/>

In the top left corner of the Delaware Library Catalog is a box titled "Featured Programs/Services." Click on the "eMedia" link.

On the "eMedia" page, click on the link to "Learning Express."

Registering with Learning Express

You will be prompted to enter your 14-digit library card number and your 4-digit PIN. If forgotten, your PIN can only be requested in person at the library.

Once you arrive at the Learning Express homepage, make sure to log-in or register an account.

The "login" and "register" links are in the top right corner of the homepage. You will need an email account in order to register an account.

TIP: write down the email account and password you used, so that you can access your saved progress with Learning Express.

Selecting your Learning Course

Scroll through the different learning options and click on "College Center."

After clicking the "College Center" link, you must scroll through the different class options and select the course you want.

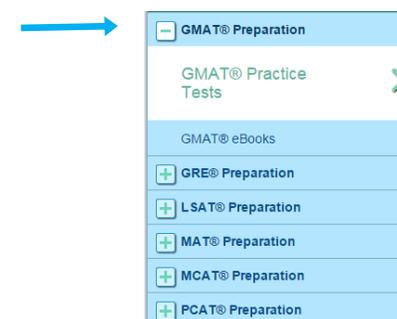

Navigating the Courses

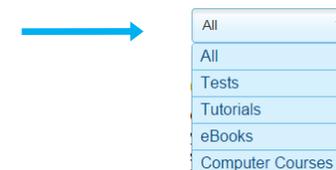

Select a course, such as "Prepare for Graduate School Admissions Exams."

After selecting a course, you will be able to view and select from more specific course topics. Look at the specific course topics on the left side of the screen.

Each specific course topic may offer instructional resources such as tests, tutorials, eBooks, and computer courses. Click on the dropdown bar to see the instructional resources offered.

View the different instructional resources and select the "Launch" link. TIP: If the videos do not launch, check your browser settings to ensure that pop-ups are allowed from this site.
