

Delaware Public Services Group and Liaison Meeting

Wednesday June 18, 2014

10am to 12pm online via Adobe Connect

<http://aalstaff.lib.de.us/>

Agenda

Our first online meeting is on Wednesday June 18 at 10am. Here is the meeting link:

<https://delawarelibraries.adobeconnect.com/dpsmeetingjune014/>

When you click the link, you'll be instructed to log in as a Guest with your name. Please add which library you are from, like this:

Cathay Keough, Delaware Division of Libraries

or

Cathay Keough, DDL

There is no password and nothing to download. Your computer may prompt you for a Flash update (this is an Adobe product and Adobe commonly uses Flash). If so, please allow for that.

Once you enter the meeting room you will see further instructions for how to interact, and we'll go from there.

Structure:

The first part of our meeting is devoted to helping everyone feel comfortable using Adobe Connect. We'll walk through how to use Adobe Connect and its features and cover some basics for making the experience wonderful for all!

The second part of our meeting (which will be recorded) will cover –

- Database Days update (final decisions announced)
- Virtual reference software changes
- Going from global to local (beginning July 1)
- Library "working visits"

As mentioned, headsets are ideal when attending meetings and webinars/trainings online. The Delaware Division of Libraries has recently ordered enough headsets to get us started (one per library). Although they have not arrived yet we can have a great meeting online using Adobe Connect's robust features. Please plan to attend to learn, experience, and give your thoughts as we work together to make Delaware's Public Services the best in the nation!
