

## *Your Inspired Future*

Join us to get started on a lifelong pursuit of self-discovery and fulfillment as you uncover your passions, values and natural abilities.

The Inspiration Spaces were launched at Delaware Libraries to help our patrons follow their dreams and live a fulfilled life of purpose. Here's what one of them had to say: "... I've told a few folks about this workshop and forwarded the workbook. I can't say enough about it...The workbook's strength is that it tries to unearth your best fit by coming at it from multiple different directions. The group discussion was especially helpful ..."

## **Now it's your turn!**
