Borrowing a Title in Hoopla

Finding a Title in Hoopla

After signing in, use the [Search](#) tool on Hoopla to look for an author, title, or category.

Checking Out a Title in Hoopla

Titles are available immediately from Hoopla! Once you have selected an item, click the blue [Borrow](#) button. The title will be automatically transferred to your [Borrowed](#) tab where you can access it.

To download the item to your device, simply click the [Download](#) button and your title will be available on your device with or without internet connection.

Note: Downloading items onto your device without a Wi-Fi connection will use data.

Bonus Borrows

"Bonus Borrows" are hundreds of titles Hoopla allows you to checkout – without using your monthly allowance! New "Bonus Borrows" come out every February, May, August and November.

Please Note

Unused borrows do not "roll over" to the next month. At the beginning of each month, the allowance is reset to four items.

Managing Loans in Hoopla

Returning Titles

Items will automatically disappear from your [Borrowed](#) tab once the due date has passed. *There is never an "overdue" item with Hoopla and no late fees!

Returning Titles Early

You can return titles early on Hoopla, but please note that returning titles will not affect your monthly allowance for checkouts (4 titles per month).

Renewing Titles

Hoopla does not have a standard "renewal" feature. After the loan period has expired, you can simply check out the item again (as long as you still have checkouts remaining for that month).
